You Can't Miss Our Pre-Father's Day 'Weekend of Family Fun'

## Our New Dealers Want To Meet You!

*We really are the everything collectible store.*

We are completely moved into our new space at the old Fabricland store and have expanded our already diverse inventory to include some very unique and exceptional items, including some very rare early Canadian bottles.

19th Century Original Bronze  
"The Hunter"

To accommodate our interior decorator buffs, we have added an eclectic mix of contemporary jewelry and vintage designer furniture.

Any one of these distinctive pieces would complement any decor, enhance any room and promote many delightful conversations.

This gorgeous piece of fine opal and amber hand-made designer jewelry was brought in by one of our newest dealers and is prominently displayed in our store.

You must visit and check out our spacious new look along with the expanded inventory. There is definitely something for everyone at FinePoint Antiques, including Dad.
