# 2ND ANNUAL 'CHRISTMAS OF HOPE' ANTIQUE EXTRAVAGANZA & ROADSHOW

**Event will help raise funds for cancer research and care on Vancouver Island.**

**Friday Dec 4th - Sunday, Dec 6th**

Nanaimo North Town Centre will be filled with antique and collectible dealers from around the Island and beyond, to benefit cancer research on Vancouver Island. Over 120 tables of treasures will be featured at this exciting can't-miss event, including coins, stamps, furniture, fine arts, books, china, jewelry, glass, porcelain, musical instruments and more! All funds raised at the event for the BC Cancer .

Funds are raised from table registrations fees, silent auction bids, and the roadshow. The public is invited to make a donation and hang an ornament to celebrate or mark a remembrance on the BC Cancer Foundation's Tree of Hope. Last year's inaugural 'Christmas of Hope' weekend raised almost \$8,000 for cancer research.

Saturday from 9:30am to 4:00pm appraisers from TV's Antiques Roadshow will again generously donate their time and expertise to help raise funds for this important cause. The general public is invited to bring in their personal items for appraisal. Cost for appraisals are \$10/first item and \$5/each additional item.

"Cancer research represents hope for all of us, as it leads to better treatments, earlier detection and ultimately, more survivors. Research is helping to improve lives,"

"Together we hope to raise awareness about the BC Cancer Foundation while also participating in a worthwhile community cause. Please join us and capture the spirit of the old and the new in the 'Christmas of Hope' Antique Extravaganza and Roadshow."

Wayne Mossman of FinePoint Antiques and event Co-chair.
