Fine Point Antiques continues to grow and we are looking for several additional diversified and self-motivated dealers. We are a decorating store that sells antiques and collectables – this has been the key to our success. The more diversified you are the better, and if you been looking for a business opportunity lets get together and talk shop. Dealers who deal in vintage clothing, musical instruments and die cast cars/electric trains etc are a high priority. Contact the store or Wayne Mossman at 250-616-9908 or Ken Mccloy at 250-927-0500.
